Written by a teacher (and SSCO), for teachers

For 4 – 7 Year Olds
48-page book plus CD
ISBN: 1-85741-180-3
£17.95

Each resource comprises a collection of eight dance themes, each with comprehensive, easy-to-follow lesson progressions, and a unique music soundtrack. The themes complement or reinforce topics covered in class, and take their inspiration from books, sport, traditional dance, the world about us and everyday life.

Dance Angles has been written for non-specialised teachers, by a Dance and PE specialist, to enable them to explore dance through a variety of themes, in a variety of styles. Working through each of the phases, dance will give both teacher and children confidence.
